

Agenda

Thursday, March 31st

7:00–7:50 AM	Registration and Continental Breakfast
7:50–8:00	Welcome Remarks and Introduction Kimberly Davis Lenworth Jacobs
8:00–10:00	Case presentation: Pelvic Fracture Prehospital evaluation ED phase Operative management Rehabilitative phase Moderator: Gary Kaml Scott Martus David Shapiro Michael Leslie David Rosenblum
10:00–10:30	Break
10:30–11:30	Keynote Address Genitourinary trauma Michael Coburn
11:30–1:00	Lunch
1:00–3:00 PM	What's New? What's new in prehospital resuscitation What's new in hemorrhagic control What's new in transfusion therapy Cooling for trauma? Moderator: David Coletti Kimberly Davis M. Margaret Brandt Christopher Dente Peter Rhee
3:00–3:30	Break
3:30–5:00	Atraumatic trauma Drowning Burns Necrotizing soft tissue infections Moderator: Kathleen LaVorgna Kevin Dwyer John Schulz Christine Cocanour
5:00–6:00	Reception

Friday, April 1st

7:00–7:50 AM	Registration and Continental Breakfast
7:50–8:00	Welcome Remarks and Introduction Brendan Campbell John Schulz
8:00–10:00	Case presentation: Cervical spine fracture Prehospital evaluation ED phase Operative management Rehabilitative phase Moderator: John Schulz Daniel Tauber Jacqueline McQuay Michael DiLuna Mani Seetharama
10:00–10:30	Break
10:30–11:30	Pediatric trauma What's new, cool & evidence-based Pediatric motor vehicle safety Restrain yourself Moderator: Jose Ruben Rodriguez Brendan Campbell Davis Preusser Steven Rogers
12:00–1:30	Luncheon speaker Lessons learned in Haiti Thomas Scalea
1:30–3:00	Middletown: What happened? The event Scene management System response Moderator: Michael Ajemian Ed Badamo Joe Portereiko Donald MacMillan
3:00–4:00	Interesting cases Moderator: Paul Possenti

Course Overview

For the past twelve years, the Connecticut Trauma Conference has strived to provide the best education available in the field of trauma and critical care. This goal has not changed. The Program Committee has invited loco-regional and national experts in the field, some of whom have spoken here in the past. The focus of the conference this year is on the continuum of trauma care, with a unique format of a case based scenario debuting this year. Other topics will focus on common non-trauma diseases treated at trauma centers, pediatric trauma care and prevention, and what is on the horizon for trauma care. Finally, 2010 was the year of the disaster, both internationally and locally, so we will have updates on the trauma response in Haiti, as well as a debrief on the Middletown Plant explosion. This conference is designed to educate caregivers across the entire spectrum of trauma care, including pre-hospital providers, nurses, and physicians of all specialties.

The learning objectives of this meeting are:

- 1 To educate through two case-based scenarios of difficult patient care issues, pelvic fractures and cervical spine injuries, across the continuum of pre-hospital, acute care and rehabilitation.
- 2 To update the current management of genitourinary trauma
- 3 To discuss novel therapies or concepts new to trauma care, or on the horizon of trauma care.
- 4 To review common non-trauma disease processes frequently encountered in trauma centers.
- 5 To review what is new in pediatric trauma and pediatric trauma prevention
- 6 To discuss the trauma response to the earthquake in Haiti with a focus on the challenges encountered in care delivery in an austere environment
- 7 To review the challenges in State disaster response highlighted by the Middletown Plant explosion
- 8 To discuss interesting case presentations and novel management strategies for their management.

Continuing Education Credit

Accreditation

The American College of Surgeons is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to sponsor continuing medical education for physicians.

Physicians

The American College of Surgeons designates this educational activity for a maximum of 13.75 *AMA PRA Category 1 Credits*[™] (or 6.5 credits for Day 1 or 7.25 for Day 2). Physicians should only claim credit commensurate with the extent of their participation in the activity.

Nurses

For the purposes of recertification, the American Nurses Credentialing Center accepts *AMA PRA Category 1 Credit*[™] (or 6.5 credits for Day 1 or 7.25 for Day 2) issued by organizations accredited by the ACCME.

EMS-I

Thirteen and three-quarters (13.75) Continuing Education Credits have been approved by the Connecticut Department of Public Health, Office of EMS, for EMS-I's who complete this program (or 6.5 hours for Day 1 and 7.25 hours for Day 2).

Hotel Accommodations

A block of rooms has been reserved for the program at the Grand Pequot Tower at Foxwoods at the rate of \$165 per night. For reservations please click on URL:

<https://resweb.passkey.com/go/cttrauma2011>

and be directed to the customized website. Reservations must be made prior to March 19, 2011 to secure the group rate.

Faculty

Michael Ajemian, MD

Associate Professor of Surgery
Director of Trauma
St. Mary's Hospital
Waterbury, CT

Edward Badamo

Chief of Fire Services
S. Fire District, Town of Middletown
Middletown, CT

Mary-Margaret Brandt, MD, FACS, FCCM
